HOGAN SNARES MASTERS TITLE ON TENTH TRY

Augusta, Ga., April 9 (A)-Nine times Ben Hogan came out of Ft. Worth. Texas, to shoot for a Masters crown and like no other major professional golf title, the pesky

thing kept avaiding him. The little Texan who thinks golf is a game to play, not something to talk about, finally came through in his tenth attempt. Ben spotted par eight strokes on four trips around the par 36-36-72 Augusta National course to win his first prestige-had-

ed Masters with 280. If Ben wanted to retire right now from golf-something he has no intention of doing - he could check through his collection of titles and

find not one of major importance Hogan and Robert (Skee) Riegel, who finished second with a fine 282, were all alone at the head of the class. Hogan with a final round 68 whipped third place finishers Lloyd Mangrum and Lew Worsham by six strokes and Riegel, their junior in experience and publicity, spanked

them by four. Mangrum and Worsham, both former National Open Champions, had 286's to complete the list of golfers Douglas shot an even par 288.

Sam Snead in the Los Angeles Open of 1950. Sam won the playoff.

Last summer Ben put his comeback in the past tense when he won the National Open title. His victory in the 15th masters at 39 years of age merely confirmed the fact that when Hogan is in a major tournament field the best thing to do is to pick him to win.

After his victory on the vicious 6,900-yard National, Ben quietly and if I never won another tournament. I've certainly had more than my share.

Hogan played the final round on soaked but sunny National

"I played it safe," Ben said, not way to win was to play it safe." His strategy was almost flawless.

He didn't go over par on a hole and won birdies four times. Lawson Little finished with 289, including a final round 72, for sixth and Jim Ferrier, the pre-tournament pick to win, was seventh with 290-72 of those strokes coming on

PICKS RED SOX AS WINNERS OF **AMERICAN LOOP**

By JACK HAND

New York, April 9 (A)-No Red Sox. No Red Sox. No Red Sox. Not even it they get Joe DiMaggio, Bob Boston (N) Air team, 16; Tulsa Lemon and vice Raschi. You swore off for keeps last September.

But that was seven months ago. With opening day a week off, the old craving returns. Giving up the Red Boston (N) Train team, 14; Fort Sox is tougher than cutting out cigarettes. That power, that new pitching. That Fenway park. How can they lose?

The American league shapes up like a three-club race with Boston, St. Louis (A), 11; San Antonio New York and Cleveland in the thick of it. Detroit, off to a bad spring start, does not impress as a pennant

contender.

Puts A's At Bottom Back of the first four, it's a grab bag, like two separate leagues with second and third behind Chrupcala. Washington, Chicago, St. Louis and

Now Hydraguide Steering does four-fifths

of the work for you!

THINK of the easiest steering car you ever drove . . . then imagine one five times easier to steer! Chrysler's new Hydraguide power steering . . . regular on Crown Imperials and optional at extra cost on all New Yorker and Imperial models . . . gives you exactly that. Here is by far the greatest single change in handling ease—and safety -you ever found in any car. At your touch on the steering wheel, the car mechanically provides four-fifths of the energy to turn the tires on the road. Like so much in these new Chryslers . . . Hydraguide is so basically new, so basically better than anything before, that only when you try it can you ever know what it really does!

The Most Basically New Cars of All!

Beneath the rich new beauty of these Chryslers for 1951

are 73 different improvements and advances. Among them are the most basic new ideas in any cars for many

years! Like the revolutionary new FirePower engine, of 180 horsepower, which gives owners of Chrysler

Imperial and New Yorker cars the most powerful, most efficient, most all-around economical powerplant in any

car today! And like the amazing new Chrysler Oriflow

shock absorbers, which give every new Chrysler car riding ease with twice the shock-absorbing power of any

other cars at any price. And with all their newness,

they're built to stand by you like no car you can buy!

BIRDS - YOURS AND MINE The Springtime would lose so much of its beauty, interest, and thrills were there no birds to welcome its arrival. They come from their seasonal vacations from all quarters of the globe. We shall probably never know the reason for their coming on exact days and to places they have known and loved in for-

mer years. I read somewhere that dogs might be man's best friend in the animal One Month (By Carrier) .. 50 Cents kingdom, the horse his most faithpossible without them! What a debt of gratitude, therefore, do we owe to them, and how glad we should be to feed and care for them, and do all in our power to preserve their lives among us. They police our gardens, trees and fields.

Said John Burroughs: "Birds show many more human traits than do quadrupeds." In their love making libit the same traits that we umans do. And the more we study the habits and ways of birds the more we come to love and want them around us. They repay for all the kindnesses rendered by their songs and confidence. Don't Be Satisfied With Symptomatic Relief

YES, HADACOL MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF

Aches and Pains, Stomach Distress, Weak, Run-down Conditions and Nervousness When Due To Lack of Vitamins B₁, B₂, Niacin and Iron In Your System

Mrs. A. Plonka of 3202 S. Ab. erdeen, Chicago, Ill.: "My daughter Carmelita, who is 10 years old and in the fifth grade, had always been underweight and I had to positively force her to eat. She had no interest in food whatsoever, but . know that she had to eat. When we were visiting my mother in Missouri over the Christmas holidays she sug-gested I give Carmelita HAD-ACOL. I bought a large bottle of it that same day and was amazed at the change in Carmelita. Her appetite picked right up and she now eats three hearty meals a day plus inbetween snacks. I have really praised HADACOL, and highly recommend it."

G. E. Moncus, 221 Columbus St., Montgomery, Ala.: "Quite some time ago I began to have indigestion and sour stomach. My food just didn't digest right. I'd get a full, 'gassy' feeling after I ate. This affected my appetite and my weight. I was run-down, too. My wife started taking HADACOL and so did my daughter. I saw how much it had helped them, so I started taking it. And HADACOL has certainly helped me, too. My stomach never bothers me any more. I have a terrific appetite and have gained weight. I have lots of energy and just feel good in every way. I think HADA-COL is wonderful. I wish I could tell everyone just how wonderful it really is."

Mrs. W. O. Jones, 7244 N. Bell St., Chicago, Ill.: "I am a housewife and mother of three children. I had been feeling very run-down, would tire so easily, and just felt listless. My mother-in-law suggested I take HADACOL, as she had heard of it through friends of hers. I just took it for a few days, when I noticed I was feeling stronger and seemed to have more energy. I continued taking HADACOL and it has certainly built up my strength. I am no longer run-down, don't tire nearly as much. I am now on my sixth large bottle of HADACOL, and intend to continue taking it."

William J. Dunlap, 4404 Freer St., Apt. 2, Detroit, Mich .: "Along with the pains I suffered my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADA-COL and decided to give it a try. Am now on my fifth bottle and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars.
Active overseas in both. I have
given your HADACOL every
praise to friends and relatives and know some are using it with just as astonishing results as I myself have found."
